

## Priority Legislative Agenda

This year, NTEU is fighting for:

- ➔ Reinstating federal **labor management partnerships**
- ➔ Securing **parity in the pay increases** for military and civilian federal employees for 2010
- ➔ Boosting **agency funding** and limiting contracting out
- ➔ Ensuring full **collective bargaining rights** throughout the Department of Homeland Security, including for TSA and ATF employees
- ➔ Increasing the access and affordability of the FEHBP, as well as securing **paid parental leave** for federal employees
- ➔ A range of issues impacting the financial well-being and security of **federal retirees**

Help deliver success on NTEU's 2009
